

## \$1.3 Billion Arms Aid Plan OK'd By Senate

### Move To Cut It By 200 Million Fails

Washington, Sept. 22.—(AP)—The Senate tonight approved a \$1,314,010,000 program of arms aid for nations in the shadow of Russia's great military machine.

The vote was 55 to 24.

Final passage came after administration forces defeated two moves to cut down the size of the aid program. The most popular of these, an amendment by Senator George (D-Ga.) to trim \$200,000,000 off the funds for Atlantic pact nations, lost 46-32.

#### Sets U.S. Policy

This action set the United States firmly on a policy of re-arming friendly nations in the world-wide effort to bar the doors against Communist aggression.

In its final form the Senate bill authorizes arms aid totaling:

\$1,000,000,000 for the North Atlantic pact nations in Europe.

\$211,370,000 for Greece and Turkey.

\$274,000,000 for Iran, Korea and the Philippines.

\$75,000,000 to be used in the China area at the discretion of the President.

The cash must yet be provided by appropriation.

The bill also permits sending \$450,000,000 in surplus arms.

#### Final Amount Undecided

The final amount which congress will authorize for military assistance overseas remains to be decided by a conference of senate and House members.

The House approved an arms bill totaling \$669,505,000—or \$444,505,000 less than the Senate bill. Their differences will be worked out in conference.

The House made all its reduction in the aid for western Europe. Its provisions for Greece, Turkey, Iran, Korea and the Philippines are the same as the senate's. It included nothing for China.

In a warm debate before the voting, Senator Taft (R-Ohio) protested that arming western Europe "is likely to incite Russia to war."

Senator Vandenberg (R-Mich.) replied that the arms program and other foreign aid voted by congress to stem the spread of communism are "the cheapest way to stop World War III before it starts."

The bill includes \$1,000,000,000 for western Europe—half in cash and half in contract authority.

Senator George (D-Ga.) led the unsuccessful fight to trim the cash authorization from \$500,000,000 down to \$300,000,000.

## Chicago Strike Forces Rock Island Plant To Close

Chicago, Sept. 22.—(AP)—A work stoppage at a Chicago plant of International Harvester company led today to the closing of a Harvester works in Rock Island, Ill.

The big machinery manufacturing concern announced that the Farmall works in Rock Island will close down tomorrow because of a shortage of parts. Farmall employs 5,600 persons, of which 4,750 are in production and maintenance departments.

Behind the closure was a continuing walkout of CIO United Farm Equipment Workers at the tractor works in Chicago. This plant, employing 4,600 persons, produces forgings and castings for the Farmall works.

Tractor works employees are staying away from work in protest against the suspension by the company of 23 men, most of them shop stewards of the CIO local. The company suspended them for advocating a work stoppage last week in violation of a contract between their union and the company.

## Truman Says His Program Will Be Passed By Solons

Washington, Sept. 22.—(AP)—President Truman said today he thinks his legislative program will work out very well in congress.

He also expressed once more his hope for repeal of the Taft-Hartley Labor Relations act. But he would not comment on a statement by Rep. Lesinski (D-Mich.) who said the House labor committee he heads won't act on a repealer either at this session of congress or the one starting next January.

The President's remarks about the general congressional picture were made at one of the briefest news conferences he has held in months. Earlier in the day he conferred with Democratic senate and House leaders over the remainder of the program. He asked particularly about the status of his proposal to assist backward areas in the world to develop economically.

### Illinois News Briefs

Sterling, Ill., Sept. 22.—(AP)—Robert E. Scott, 8, died last night, the victim of gunshot wounds suffered while he and a friend were playing with a loaded revolver.

Coroner John T. Meyer said Robert and his friend, Bill Joe Watkins, found the .32 caliber revolver in the glove compartment of Billy Joe's father's car. It discharged accidentally, Meyer said, while the lads were passing it back and forth.

#### U. of I. Roll Is 18,710

Champaign, Ill., Sept. 22.—(AP)—Enrollment on the Champaign-Urbana campus of the University of Illinois is 18,710, Recorder E. C. Seyler announced today on the first day of classes in the fall semester.

This is 112 more students than were registered for the same period in 1948 and is near the all-time record high of 19,115 set in 1947 when the campus was crowded with veterans.

#### Begins Campaign

Chicago, Sept. 22.—(AP)—Louis E. Nelson, Cook county treasurer, today began his downstate campaign for the Republican nomination for state treasurer.

He went to Springfield to meet Republican county chairmen attending a meeting in the capital.

Nelson said this is part of his program to meet every party leader in Illinois before the primary speaking campaign starts.

#### Near Miss On Moose

Waukegan, Ill., Sept. 22.—(AP)—Sheriff's deputies were hunting today for an elusive nimrod who nearly bagged a big Moose yesterday.

Henry Wallenstein of Waukegan reported a bullet shattered the windshield of his automobile as he was driving on U.S. Route 41 near the Elgin, Joliet & Eastern railroad viaduct in Lake county.

Wallenstein is secretary of Chicago area lodges of the loyal order of Moose.

#### Leaves Half Million

Fairfield, Ill., Sept. 22.—(AP)—The late H. G. Ferguson, Fairfield industrialist, left an estate of nearly a half million dollars, Wayne county Probate Court records show.

Ferguson, who operated the old Sexton manufacturing company here, left no will. A bachelor, he was survived by two sisters, Mrs. Lotie Sexton of Fairfield, and Mrs. Samuel McChesney, of 5861 Cates avenue, St. Louis, Mo. He died recently of a heart ailment while in St. Louis.

#### POLICE HAVE GUEST—

Decatur, Ill., Sept. 22.—(AP)—A fox is the guest of a Decatur policeman out only until someone claims the animal.

Patrolman F. E. Hartnett and Larry Withrow came upon the fox yesterday as it sat in the middle of the street. When they opened the door of their squad car the fox jumped in, parked between the policemen and refused to leave.

#### Paper Remodels

Mattoon, Ill., Sept. 22.—(AP)—Construction was under way today on a \$500,000 expansion, remodeling and refurnishing of the Matton Journal company building, home of the daily Journal-Gazette and Gazette Printing company. The project will enlarge the business and advertising offices. Workmen started the job Monday.

#### 63-Year-Old Will Probated

Rockford, Ill., Sept. 22.—(AP)—A will drawn 33 years ago by Orin S. Rugg was admitted to probate yesterday by Probate Judge Seely P. Forbes.

Rugg, 85, a retired knitting plant executive, died Sept. 4. The will, signed July 6, 1896, left \$9,000 in personal property to his widow, Louise.

All witnesses to the will are dead. Their signatures were verified by relatives.

#### New Postmasters

Washington, Sept. 22.—(AP)—The Senate today confirmed the following postmasters:

Leo V. Anderson, Aurora, Ill.

John Haderlein, Chicago, Ill.

#### Identical Illness Kills 3 Brothers

Monroe, Wis., Sept. 22.—(AP)—James Vickers, 14, died today of the same ailment that claimed the lives of two of his brothers at the same age.

The boy died of hepatitis, an inflammation of the liver. Victims of the same disease were his brothers John Wesley, on March 25, 1948; and Lynn Alden, in April, 1944. All were ill two years.

They were the children of Mr. and Mrs. William Vickers, Sr., of Winslow, Ill. Surviving are five sisters and four brothers.

#### SCHOOL CLOSED AS PUPIL GETS POLIO

Petersburg, Ill., Sept. 22.—(AP)—The fancy Prairie school was ordered closed for two weeks today after one of its pupils was hospitalized with polio.

Dr. Irving Newcome, Menard county health officer, also ordered a two-week quarantine for all pupils of the fancy Prairie grade school under 17 years of age.

The polio victim was Dorothy Emmett, seven. Two Athens high school pupils who rode on the bus with her also were ordered quarantined.

#### NEW EGYPT MINISTER LOSES CREDENTIALS

Cairo, Egypt, Sept. 22.—(AP)—Jefferson Caffery arrived today to become the new U.S. ambassador to Egypt and discovered he had lost his credentials enroute.

The embassy hastily telephoned Washington. The State department said it would send a new set of credentials.

Caffery was formerly American ambassador to France.

### Says Lesinski Called Off Probe Of Unions Because Of Pressure

Washington, Sept. 22.—(AP)—A subcommittee, and Lesinski couldn't transfer of nearly \$27,000 from the union treasury to pay Berry's income taxes. Googe was a witness before the subcommittee.

The fact that the subcommittee was going to be dissolved was known six days in advance by Googe, Jacobs said. He said Googe was in Indianapolis "bragging about it" August 25. The subcommittee was abolished August 31.

Jacobs' blast at Lesinski pointed reports of unDemocratic practices up in unions. His subcommittee held Labor group. Other matters of violation of the investigation include repeal of the Taft-Hartley law and federal aid to schools.

Lesinski said today that unless the attitude of the House changes, the committee will make no effort to report out a labor bill of any kind this year or in 1950.

Jacobs said that George Googe, vice president of the union, has "admitted" he was responsible for the transfer of nearly \$27,000 from the union treasury to pay Berry's income taxes. Googe was a witness before the subcommittee.

Lesinski told a reporter: "I don't know anything about the Pressmen's six days in advance by Googe, Jacobs said. He said Googe was in Indianapolis 'bragging about it' August 25. The subcommittee was abolished August 31.

Rep. Jacobs (D-Ind.), who made the charge, introduced a resolution asking the House to create a special committee to carry out the inquiry.

Jacobs was chairman of a labor subcommittee designated to carry out the investigation, but Lesinski abolished it and other subcommittees last month.

"Bunk—pure bunk," the chairman commented when told of Jacobs' assertion that "heat was put on the Pressmen's union to dissolve the committee."

Lesinski said today that unless the attitude of the House changes, the committee will make no effort to report out a labor bill of any kind this year or in 1950.

**PROFIT MAKING WAY**  
The profit-making way to feed hogs is to save large litters of pigs and to keep them healthy until they're sold, and you may profit by as much as \$780 a year by doing a good job on both practices.  
This advice came from M. L. Mosher, farm management specialist in the Illinois College of Agriculture. It's based on his study of 200 hog farms in north-central Illinois for the 10 years 1936-45.  
Mosher said the 60 farms weaning the largest litters raised 36 more pigs each year than the 60 farms with the smallest litters. And the large-litter farms earned \$12 more per \$100 worth of feed fed. The 200 farms averaged \$3,000 worth of feed a year, so that means \$360 more income each year on the large-litter farms.  
The 60 farms with the lowest death losses raised an average of 1,150 more pounds of pork each year. These low-death-loss farms also earned \$14 more per \$100 worth of feed fed, or \$420 a year on a farm feeding \$3,000 worth of feed a year.  
Mosher figures that every pig lost before weaning costs you about \$10 in feed. And your loss for every 100 pounds of pigs that die after weaning is around \$36.50.  
The combined extra earnings from weaning large litters and keeping death losses low after weaning amount to a healthy \$780 every year.

**HE TAUGHT "SMILEY" TO PLAY**  
Concord, Ill.—William Baird, appeared at various theaters and pictured at right second telegrapher became close friends. Their last appearance was several weeks ago when they appeared at the Capitol Theater at Canton.  
Burnette now plays 26 different instruments and has built a studio on the "Smiley's" residence grounds. The studio was built by professional radio engineers at a cost of \$35,000 and is equipped not only for recordings of all types, but serves as a broadcasting studio for special recordings.  
Mr. and Mrs. Baird have visited Burnette several times when he was in Concord and gave him his first instrument. Burnette and Baird often Astoria.

**\$16,800 Shipment Of Band Instruments For County Schools Arrives**

Musical instruments, costing \$16,800, have been purchased for the schools of Morgan county, according to announcement made Thursday by Supt. John C. Deem.  
The instruments have been distributed among the 16 schools in the county which have bands. They will be either rented or loaned to students. Free musical instruction is provided for the students.  
Shipped from an army depot in Philadelphia, Pa., the instruments are war surplus materials, many of which were used in the South Pacific and European theatres.  
There are 150 instruments in the group. Some of them are new, while others, still in good condition, are in need of minor repairs.  
Included in the group are 16 saxophones, valued at between \$200 and \$500 each. There is also a bassoon, which was handmade in Paris. There are 14 such instruments in the state. Its estimated value is about \$825.  
**Property of Schools**  
The instruments become the property of the schools, with the stipulation that they be used during the present school year or traded for other instruments to be used this year.  
The cost of repairing the instruments will be assumed by schools. In relation to the value of the instruments, the cost is expected to be very small.  
The bands which received the instruments were the Jacksonville High school advanced and beginner's bands, and the David Prince Junior High band, all of which are directed by James Welch; two elementary school bands in the city, which are directed by O. A. Schutte; South Jacksonville, Frances Lane, director; Woodson, which has not yet secured a director; Waverly High and Grade school band, Murray Maier, director; Franklin High and Grade school band, Paul Brown, director; and Arenzville High, Charles High, Mercedes High, Arenzville Grade, Concord Grade, Chapin Grade and Mercedes Grade school bands, Albert A. McCarthy, director.

**Man Who Struck At Officer With Axe Sentenced**

A Jacksonville man who is alleged to have swung an axe at a police officer on Sept. 11 will spend eight months at the Illinois State Farm at Joliet for his dangerous error in conduct.  
The defendant is Willis Williams, 27, who was charged with assault with a deadly weapon on Officer Walter Hill of the police department. Sentence was passed Thursday morning in county court by Judge Paul Fenstermaker, where the defendant had previously entered a plea of guilty.  
Evidence presented by State's Attorney Albert Hill showed that Williams was chopping a sign near North West street and Lafayette avenue when the officer arrived on the scene. It was alleged that Williams attempted to strike Hill with the axe, after which he was placed under arrest by the officer.

**Jersey Attorney Hurt In Accident**

Jerseyville—Attorney John F. Gibbons of this city suffered injuries to his neck and left arm in an automobile-truck accident near the pay station of the Lewis and Clark bridge Tuesday night.  
Attorney Gibbons was returning from St. Louis and stopped at the pay station of the bridge to deliver his bridge ticket to the attendant. A large tractor trailer transport outfit which had been following the Gibbons car failed to make an exact stop and crashed into the rear of the car.

**Four Die In Fire At Rooming House**

Philadelphia, Sept. 22.—P.—Four persons, including two small children, were burned to death in a rooming house fire of unknown origin.  
The dead, all negroes, were identified as Essie Taylor, four; Lewis Carter, two; Ann Mae Carter, 38, and James Williams, 37.  
A third child, Rose Taylor, five, was burned on the arms and legs. Doctors at Hahnemann hospital listed her condition as serious.

**Membership Gain Important Goal Of Great Books Group**

Today the Great Books Foundation is an international project. Fifty thousand people in America are reading Great Books, and the movement has spread to other countries. The originators of this movement hope to increase the number of readers to fifteen million, feeling that these readers possessing a common stock of ideas will lessen the danger of wars and eventually prevent wars. For that purpose groups of readers of Great Books are being organized throughout the nation and other countries.  
In Jacksonville there are two groups. Those members taking the first year books meet the first and third Mondays of the month and those taking the second year work, the second and fourth Mondays. The meetings are held evenings from seven to nine o'clock at the public library.  
The subject for the meeting Monday, Sept. 26, is Herodotus, a celebrated Greek historian, surnamed the "Father of History," who wrote of the Persian invasion of Greece down to 479 B.C. Herodotus records not only wars but the cause of wars. The public is invited to attend the meetings of the Great Books.

**Spreading Gravel On Concord Road**

The traveling public was advised in a statement Thursday by the Morgan county highway department that it should avoid the Concord-Arenzville main road as much as possible during the next week, while the four mile route is being gravelled.  
Melvin J. Benscoter, county highway superintendent, said the highway is barricaded at several points where the gravel crews are working. Motorists are using detours on side roads, or driving in loose gravel where travel is permitted.  
The hilly section of the highway south of Arenzville, is being gravelled first by the contracting firm. The route will be blacktopped next spring.

Canned sweet potatoes that have been baked with sugar syrup in the oven are delicious and different topped with whole cranberry sauce. After you have added the topping allow to run in the oven only for about 10 or 15 minutes if you want to preserve the lovely red color of the cranberries.  
Add a special cheese mixture to steak just before it is done. Prepare it this way: Mash a little blue cheese with some French dressing and flavor with a little Worcestershire sauce. When the steak is almost done season it with salt and freshly ground pepper and spread the cheese mixture over the top. Return to the broiler until the mixture bubbles and serve immediately.  
Zippers hold best if they are stitched on by machine rather than by hand. Stitch the zipper tape in the fold of the goods, close to the metal of the zipper, then trim off any extra fabric to the width of the tape, and stitch so there will be no loose ends to catch in the zipper.

## Work On Addition To Ashland School Now In Progress

Ashland—A new addition is being built on the north side of the local high school which will be used by the junior high. It will house a library to supply reading material for both the junior and senior high.

Rate entrance will be made for the junior high and a new sidewalk will extend around the east side of the senior high building. In the addition will be two rest rooms. Future plans will call for building a F.F.A. workshop in the basement.

Roland Whitmart and his workmen started on the new addition in July and expect to have it finished by the last of November.

Also in the process of being remodeled and sound proofed is the old coal room in the basement of the senior high. This will be used for both band and chorus.

More than 80 per cent of a child's school work depends on his ability to see properly.

## OUTDOOR COLUMN

By the Associated Press

Deer are regaining a toe hold in Illinois.

The U.S. Forest service, guiding hand behind the restocking project, estimates there are about 400 deer running loose in the Shawnee and Illinois forest units in southern Illinois.

Since 1935 the forest service has released 213 deer in the two units. The first five came from Augusta, Mich., and were turned loose in the Belle Smith Springs area.

Strangely for such a restocking project, most of the deer have come from the island in Horseshoe Lake, in the heart of the forest area. They were getting too thick on the state-owned island to get along on the available food supply.

Forest service officials at Harriburg say some deer have been shot illegally and that losses from running dogs are above normal. However, they figure only 112 animals lost during the 15-year period—not an extraordinarily high mortality rate.

Since the animals were released there has been only one conviction for poaching: a Union county man was fined \$300 and costs a few years ago for killing a deer.

The American Brant is making a comeback after being almost extinct two years ago.

This member of the Goose family gets 80 per cent of its food from eel grass. Its numbers began a sharp drop in 1931 when a mysterious fungus all but wiped out the grass along the Atlantic coasts of the U.S. and Europe.

Dr. Clarence Cottam, acting director

**\$89 Mink dyed Coney \$69. (Tax Free) EMPORIUM**

for of the fish and wildlife service, reported the rise in Brant numbers and said it coincides with a return of the eel grass to those areas. But Cottam said they are still too scarce for an open hunting season.

Black Brant still are plentiful on the west coast where eel grass was not affected.

"Old Black Joe," storied king of the small mouth bass in Ontario's Algonquin provincial park, was a sucker after all. He fell for one of the lures he'd been evading for years.

E. D. Riley of Lockport, N.Y., caught "Joe" at Rock Lake. He weighed eight pounds, six ounces, believed to be an Ontario record.

Riley tussled for 25 minutes before landing him. The fish measured 22 inches in length and 18 3/4 in girth.

Is your favorite bass pond clogging up with cat tails and moss?

The fish and wildlife service suggests you possible could use herbicides—such as 2-4-D and TCA to control some types of marsh vegetation and create more favorable living quarters for fish and wildlife.

The service is experimenting in the use of plant killers at the Patuxent research refuge at Laurel, Md.

There's one disturbing report to mar the otherwise tinsy picture of a lot of ducks this season.

Thousands of waterfowl are reported to be sick or dead from botulism at Whitewater Lake, Manitoba. Unless conditions change within the next few weeks, the losses at Whitewater may exceed 50,000 ducks this year, authorities report.

Outbreaks of botulism also have been reported at Oak Lake, Manitoba, and Hay Lake, Alberta. Few

outbreaks have been reported so far in the U.S.

Botulism, or duck poisoning, usually occurs in shallow alkaline sump lakes with an exposed, nearly flat lake bottom as a shoreline. Fluctuating water levels—causing lake vegetation and animal life to die and decay—creates a condition favorable to the growth of botulism bacteria, which in turn creates a poison.

## Trucker Drives Up The Town

Brisbane—One-legged John Edmund Page, 23, drove a truck through Brisbane one night. He says he can't remember the drive. But the prosecutor in the police court, jogged Page's memory when he described the drive to the magistrate. The prosecutor got the story from a policeman who chased Page's truck on a motor cycle. During the chase, Page:

Passed a tram, grazing the front cabin. Passed a stationary tram on the wrong side at a speed of between 60 and 70 mph. Ignored a stop order from the pursuing policeman.

Overtook two cars driving side-by-side. Knocked another car off the road. Passed another stationary tram on the wrong side. Hit another car off the road. Struck still another car and capsized it. Hit the rear of a stationary truck outside the Brisbane hospital. Forced the stationary truck into a car in front, which was pushed onto the footpath. Was thrown out of his own truck by the jolt. Landed on his head. Was taken into the hospital.

Page pleaded guilty to a charge of dangerous driving. He was fined \$166.

Lookouts are posted in 3,200 watch towers in U.S. national forests during the fire season.

## THE DOCTOR ANSWERS

By Edwin P. Jordan, M.D.

**QUESTION:** Will eating a lot of sugar candies and sweet stuff in the home cause sugar diabetes in children and adults?  
**ANSWER:** People who are overweight and eat excessive quantities of sweets and starches are more likely to develop diabetes than others. They do not always do so, however, and it is probably incorrect to say that such eating actually causes diabetes.

## Public Library Notes

Among the new books of fiction recently added to the Public Library are several well-known authors. Upton Sinclair has written the final volume in the Lennie Budd series, entitled "O Shepherd, Speak!" by Charles Morgan, "Family Fortunes" by Gwen Davenport, "Let Love Come Last" by Taylor Caldwell, "Pink Magic" and "Time for Miss Boo" by Margaret Runbeck and "A Summer's Tale" by Gerald Bracé.

Books by new writers include "The Mudlark" by Theodore Bonnet and "The Egyptian" by Mika Waltari, "Allergy" by Henry Swartz and "Living Literature for Oral Interpretation," edited by Compere, will answer needs in their fields. "Grangery Country" edited by Lloyd Lewis and Stanley Pargellis is a pictorial social history of the Burlington Railroad. "Lead Kindly Light" by Vincent Sheehan is an attempt to reveal the meaning of Mahatma Gandhi's power and life and teaching.

Miss Esther Conner, children's librarian, announces that she will award certificates to the children who completed the summer reading course. A large number of children completed the minimum of twelve books during the summer. The certificates will be given at the Public Library on Saturday, Sept. 24.

## BEGIN RESURFACING STREETS IN JERSEY

Jerseyville—Resurfacing of the State and West Pearl street areas in the City of Jerseyville began Tuesday morning. The State highway department is having the work done. A coating of asphalt and chat is being applied.

The roadbed of State and Pearl streets was originally of vitrified bricks and several years ago a top coating of rock and asphalt was applied. This coating had worn down to the original brick surface in many places.

## Science Needs To Know More About Neuritis, Neuralgia

By Edwin P. Jordan, M.D.  
Written for NEA Service

Neuritis means an inflammation of a nerve or of nerves which is accompanied by pain and tenderness, disturbance of feeling or sensation, and a certain amount of muscular wasting. Neuralgia merely means that there is pain in the nerve or

nerves usually without the presence of inflammation.

Because either neuritis or neuralgia can come from many different diseases or conditions, the problem is always to try to find the cause in each case. They are, for example, fairly frequent in diabetes, especially if the condition has not been controlled by suitable diet or insulin.

Nerve pains can come from vitamin deficiency, especially the lack of vitamin B-1. One type of neuritis is common among the victims of chronic alcoholism.

Replace Vitamin B-1  
Perhaps at least part of the reason for this is that such persons substitute alcohol as a food in place of a properly balanced diet containing enough vitamin B-1. Whether this is true or not, this type of neuritis can be much improved or even relieved entirely in many cases by giving enough of this vitamin.

Except in the simple cases, neuritis and neuralgia are often difficult to treat satisfactorily. In some cases the pain is so severe and so long-lasting that human nature is strained to the uttermost to stand it. Relief has sometimes been obtained by killing the nerve by injecting alcohol or by cutting the involved nerve surgically. Of course, this does not get at the bottom of the trouble but it is occasionally necessary to bring relief from intolerable pain.

## Springfield Lady Loses 32 Pounds, Thanks to Renel

Mrs. Anna Muller, 1232 4th St., Springfield, Ill., writes: "About 6 months ago my Dr. told me I would have to lose weight but try as I would I could not lose at all. A friend told me about Renel and I have been using it ever since and am going to continue taking it as it has been a life saver for me. I have lost 32 pounds and now wear a dress four sizes smaller than I used to wear. I feel much better and would recommend Renel to anyone suffering from excess weight."

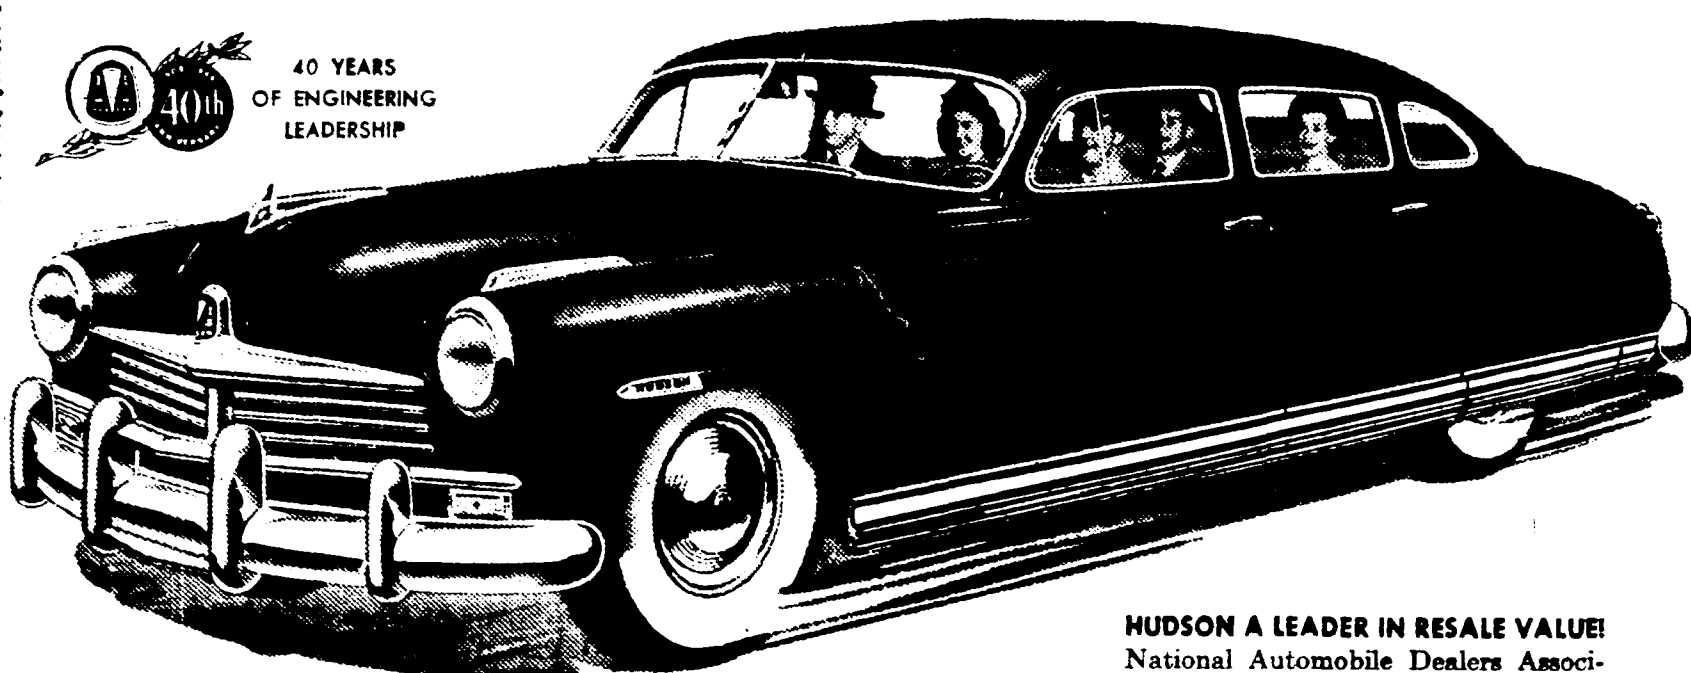

ing looks you will receive from your friends as your figure becomes younger and your vitality increases. Just go to your drugist and ask for 4 ounces of liquid Renel. Pour the contents into a pint bottle—add enough unsweetened grapefruit juice to fill the bottle and then take two tablespoofuls a day. That's all there is to it. If you aren't satisfied with the results, return the empty bottle to the manufacturer and your money will be refunded. You need never know a hungry moment while taking Renel—no starvation diet—no printed list to buy—no vitamins to fortify you against weakness while going hungry, for you WON'T be hungry. Don't be switched to another product. Insist on the genuine Renel.

Hundreds of others have obtained similar relief from the social and physical discomfort of being overweight. Why not try this effective yet inexpensive method of reducing and enjoy the pleasures of feeling younger and more alive. Try Renel and notice the admi-

### Ag Students Hold Father-Son Meet

A father-son meeting for the J.H.S. freshmen enrolled in agriculture and their fathers was held Wednesday evening in the agriculture building.

The purpose of the meeting was to be acquainted with the fathers with the agricultural program to be presented throughout the year.

Mr. Kuster, the instructor, discussed building a worthwhile supervised farming program. Darrell Roegge, F.F.A. president, discussed his own farming project.

Color slides of upper classmen projects were shown. Refreshments were served.

### Mrs. Laura Boger Dies Thursday At Springfield

New Berlin—Mrs. Laura Etta Boger, 70 years of age, died at 4 o'clock Thursday morning at the Beard Nursing Home in Springfield.

She was born in Hancock county near Nauvoo, a daughter of James H. Davenport and Amanda Williams Davenport. She was one of seven children. Her father was a veteran of the Civil War, having served with Company C, 39th Illinois regiment. The family moved to Berlin, Ill., when the children were small and resided there the remainder of their lives.

Mrs. Boger was married to William H. Boger in 1902 and they engaged in farming until recent years. She had been in failing health for some time and was recently removed to the Beard Nursing Home.

Surviving are her husband; one son, Jesse; one grandson and two

great-grandchildren, all of Chicago; one sister, Mrs. Sophia L. Jones of Springfield; several cousins, and a large number of nieces and nephews.

The remains were brought to the McCullough Funeral Home in New Berlin and will remain there until the time of the funeral which is to be held Saturday afternoon at 2 o'clock at the New Berlin Christian church. Burial will be in Berlin cemetery.

### Daylight Time Will End Sunday

New York, Sept. 22.—(P)—Daylight saving, the summer dividend of an extra hour of evening recreation for some 50,000,000 Americans, ends this Sunday.

The official time for turning back the clock an hour in nearly all "fast time" zones is 2 a.m. Sunday.

Thus the hour of sleep lost last April 24 will be regained this Saturday night.

### Warrant Accuses Former Manager Of Farm Store

Peoria, Ill., Sept. 22.—(P)—Harold W. Giegerich, of Washington, Ill., route 2, was placed under arrest today to face a warrant charging larceny as bailee, in connection with alleged shortages of cash and merchandise from Montgomery Ward stores in Jacksonville and Peoria.

Giegerich has been manager of the Montgomery Ward farm store in Peoria since February of this year.

Company investigators told Peoria officials that shortages of about \$7,000 in cash and merchandise have occurred in the Jacksonville and Peoria farm stores. An inventory of the Jacksonville store showed a \$6,000 shortage, it was said, and the remaining \$1,000 shortage at Peoria.

Giegerich is a former manager of the Jacksonville farm store, and was transferred to Peoria several months ago.

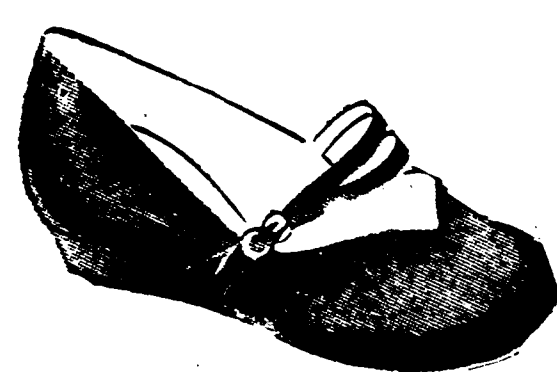

**JUST FOR A GAG**—With hemlines rising and feathers gaining new fashion prominence, Paris designer Schiaparelli—renowned for her sly sense of humor—put tongue in cheek and came up with this "gag" dress. The designer scattered curling blue ostrich plumes over the skirt of a short evening dress done in black-striped plum satin.

## Peoria, Industrial City On Illinois River, Boasts 185 Principal Factories

Peoria, Ill., Sept. 22.—(P)—Peoria, derived its name from an Indian tribe and it means "the land of fat beasts."

Although there is a large livestock market here, it is not for fat beasts that Peoria is most noted.

It has what is described as the world's largest distillery, a huge earth-moving equipment plant, and a huge tractor factory. Its diversification of industries probably is unique, with 185 principal manufacturing establishments employing 32,000 workers and paying wages of about \$85,000,000 annually.

**119,000 Population**  
An estimated 119,000 persons live in this city, the most wealthy residing on a beautiful bluff overlooking the Illinois river. There are situated parks and Grand View Drive, which Peorians call as the world's most beautiful drive.

Reaching to the other end of the scale, Peoria frequently has been known as a "wide open" town, although gambling is prone to flourish or falter as administrations change. The city's most recent uproar followed the slaying of Bernie Shelton, member of the notorious Shelton gang, who was killed from ambush July 26, 1948.

During a long investigation of the shooting several indictments were returned. Roy P. Hull, former state attorney, was charged with soliciting a bribe from Shelton to effect dismissal of assault indictments against Shelton and two associates. Sheriff Earl Spahnower was charged with

perjury and "omission and malfeasance in office." All indictments later were dismissed. Gambling now is reported at a low ebb.

#### One of Five Tribes

The Peorians were one of five Indian tribes in possession of the Illinois River valley before the white man's arrival. The other tribes in the confederacy were the Kaskaskias, Cahokias, Tamaras and Mitichigamies.

Peoria was incorporated as a village March 11, 1835, and as a city April 21, 1845.

The leading industries are Hiram Walker and Sons, Inc., distillery; R. G. Letourneau, Inc., makers of heavy grading equipment, etc.; Caterpillar Tractor Co.; Keystone Steel and Wire Co., Babst Brewing Co.; The Hyster Co., makers of industrial and lift trucks, cranes and hoists.

The northern regional research laboratory also is situated here. Bradley university here is one of the Midwest's leaders.

The American-born population is estimated at 92 per cent. Predominant foreign-born residents are German, English and Swedish.

## 19th Anniversary Meeting Held By Nortonville Club

The Nortonville Woman's club observed its 19th anniversary at a meeting held at the club hall with 20 members, nine past members and several guests present.

For the occasion, the hall was decorated in the club colors, with liberal appointments of fall flowers throughout. A large bouquet was donated by Bonnie Vedder.

The nine past members, Mrs. Bess Smith, Mrs. Bert Whitlock and Mrs. Elizabeth Friend of Jacksonville, Mrs. Lora Sample of Ottumwa, Mrs. Myrtle Riggs of Woodson, Mrs. Grace Wilcox and Mrs. Frances Mutch of Nortonville, Mrs. Sylvia French of Palmyra and Mrs. Mary Clausen of Franklin, each gave a short talk on her experiences with the club.

A talk was also given by Mrs. E. A. Sheppard, county federation president. Other guests included Mrs. Everett Edwards and Mrs. B. M. Brewster of Jerseyville, formerly of Nortonville, Mrs. Joe Vedder and son, Marjorie Mutch, Helen Bolton, Charla Mutch, Sarah Wells, Dorothy French and Harry Whitlock.

Candles in honor of charter members, past members and those deceased lighted by Mabel Seymour. Mrs. Beulah Mutch played "Memories."

Activities during the social period were conducted by Grace Oxley. Prizes were won by Mabel Seymour and Mrs. B. M. Brewster. Lulu Vedder and Mabel Whitlock were hostesses.

## Thrift Shop New Society Project

The Pilgrim society of the Congregational church has opened a Thrift Shop in the Pilgrim Memorial of the church, a service new to this community. Articles of good used clothing are sold to the public on a commission basis, with the net proceeds going to the society treasury. Officers of the society pointed out that the Thrift Shop does not involve a rummage sale, but that all articles are in first class condition and are disposed of on a commission. The Thrift Shop plan is popular in many cities.

## BOTH GREAT BOOKS GROUPS HAVE FIRST MEETING OF YEAR

Both Great Books discussion groups have now held their initial meetings. The new group met on Monday, Sept. 19, with 16 persons present to share exchange of views on the Declaration of Independence. It was decided that meetings would be held on alternate Monday evenings. A schedule will be posted at the library.

Anyone who was unable to attend the first meeting may still join the group on October 3.

Group II will meet Sept. 26 to discuss Herodotus, Books I and II.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 22.—(P)—Uneven price trends prevailed again in livestock trading today. Hogs were 25 cents higher to 25 cents off, cattle were steady to 50 cents lower, vealers 50 cents to \$1.00 less, lambs weak to 50 cents off, and ewes firm to 25 cents higher.

Barrows and gilts made \$16.50 to \$20.35 and a top for a short load of \$21.00. Sows were mainly \$16.00 to \$19.50, a few peaking at \$19.75. An estimated 1,000 head were held over unsold.

Good and choice fed steers ranged from \$26.50 up to \$33.00, the day's highest price. A short load of choice heifers merited \$29.50. Beef cows ranged downward from \$18.50, bulls from \$20.00, and vealers from \$23.00. Most good and choice native lambs had \$21.50 to \$23.00, the top for the day. Ewes reached \$9.50 and more in a fairly active demand.

Hogs on sale amounted to an estimated 7,000 head, 4,000 cattle, 400 calves, and 1,000 sheep.

## Chicago Cash Grain

Chicago, Sept. 22.—(P)—Cash wheat: No. 2 hard, 2.10.

Corn: No. 1 yellow, 1.29; No. 2, 1.28; No. 3, 1.27; No. 4, 1.26; No. 5, 1.25; sample grade, 1.15.

Oats: No. 1 heavy mixed, 66; No. 1 mixed, 65; No. 1 heavy white, 68; No. 1 white, 66; No. 2 heavy white, 68; sample grade heavy white 65.

Barley nominal: malting, 1.20-62; feed, 90-1.22.

Soybeans: none.

## WHEAT FUTURES PRICES HIGHER

Chicago, Sept. 22.—(P)—Wheat futures prices strengthened in late trading today, largely reflecting firm prices in the Kansas City and Minneapolis futures markets.

September contracts of grains and lard moved erratically, since today was the last day for trading in September futures.

Oats were strong most of the time, but soybeans weakened after being firm at the start. Local traders sold soybeans on the opening upturn. Corn was weak most of the session because of liquidation of the September contract.

Receipts were: wheat 50 cars, corn 127, oats 17, rye 1, barley 25, soybeans 24.

The September corn contract dipped sharply at the finish and was 2 1/2 to 3 1/2 below the previous close at \$1.23-1/2. Other corn contracts were 1/2 higher to 1/2 lower.

Wheat closed 1/2 to 1 1/2 cents higher. September \$2.10-1/2, oats were 1/2 to 1 1/2 up, September 67-68, rye was 1/2 lower to 1/2 higher, September \$1.40, soybeans were 1/2 to 2 cents down, November \$2.25-1/2, and lard was 3 to 25 cents a hundred pounds lower, September \$11.00.

## Markets At A Glance

New York, Sept. 22.—(P)—Stocks—Higher; rails in demand.

Bonds—Higher; strong advance in rails.

Cotton—Steady; mill buying.

Chicago

Wheat—Higher; influenced by outside futures markets.

Corn—1/2 up to 3/4 down; selling in September contract.

Oats—Strong with wheat.

Hogs—Slow and unevenly 25 cents higher to 25 cents lower; top \$21.00.

Cattle—Steady to 50 cents lower; top \$33.00.

Although, in the western world, octopus are used mostly as fish bait, many peoples find them good eating.

## East St. Louis Livestock

## New York Stock Market

New York, Sept. 22.—(P)—Railway stocks steamed in front of a rising market today.

Carrying through yesterday's strong forward thrust ahead, the market generally moved up fractions to around a point.

Smaller gains were posted for Santa Fe, N. Y. Central, and Transcontinental & Western Air.

Montgomery Ward again had trouble making the grade and a couple of recently popular golds were clipped, among them Homestake and Dome mines.

Corporate bonds slanted upward.

# Millikin Eleven Invades Blueboy Turfdom Tonight

## Dodgers Blast Cards 19-6, Shave Leader's Edge To One-Half Game

St. Louis, Sept. 22.—(AP)—Scoring in all but the second and seventh innings, the Brooklyn Dodgers blasted the St. Louis Cardinals 19-6 tonight to deal the Cards a humiliating 19-6 defeat and shave their first place lead to a mere half game.

In winning the rubber of the three-game set, the Dodgers ended the season's series with the Cards with 10 victories and 12 defeats. They accumulated 19 hits of all sizes and

### LEADS COLLEGIANS

End Don Longer, back for his third season of varsity competition, will captain the Illinois College team in their '49 debut here tonight. Longer, 49-year pass-getter from Danville, was the squad's choice for captain and will lead the Blueboys in every game of this season's try for top honors in the Little Nine grid conference. The Millikin lineup tonight, besides being the home opener, also represents the initial conference tussle for both clubs.

## HILLTOPPERS IN FINAL SCRIMMAGE

Bob Grove, Blueboy quarterback, carries the ball as the local collegians wind up a last scrimmage session before tangling with Whitey Keil's Millikin huskies under the lamps here tonight. Three-year veteran tackle Jim Spink can be seen running interference for Grove while Roy Watts, right halfback, throws a sure block on a second-string line backer. All three of these lads will see maximum action against the Decatur eleven this evening.

## Crimson Eleven Goes To Scott For Game Tonight

Bob Kraushaar will take a slightly revised starting lineup to Winchester tonight as his Crimson eleven goes to Scott county seeking its first win of the '49 season.

John Walker and Don Smith, veteran ball-carriers who started the Pittsfield opener here last week, are injured and definitely will not see action at Winchester tonight, so Kraushaar starts:

The starting backfield, subject to change should the Jacks kick-off or receive to open the tussle will see "Pee Wee" Campbell still at the quarterback post, and probably Bruce Samore at right half.

From there, the backfield changes sharply from the quarter that started Friday night. Billy Sabatini, who was probably the outstanding J.H.S. ball-toter in his '49 debut, is sure of the left halfback starting post. Marlon Baldwin, husky negro, is slated for the fullback spot and Jess Meade will alternate with Samore at right half.

The line will remain much the same. Only a slight change shows Jack Chapman, a versatile athlete, to right tackle from right guard and moves Ron Kemp, last week's tackle, to plug up the guard hole. Chapman will also be depended on to do the Crimson punting.

Otherwise the line stands pat. Dick Gotchall will open the tangle at left end; Ruel Becker, left tackle; John Rhodes, left guard; Ben Nunes, center; Kemp, Chapman and Harvey Myer, right end.

Winchester gridiron tutor E. W. Posey fielded a formidable eleven against Hannibal last week, losing a tough 12-0 ball game on the Missouri turf. He lost more than the game, seeing two of his first string backs injured. Whether they will be able to go against the locals tonight is still a question.

Kick off time is slated for 8 p.m. on the Scott county sod.

Other football games in this area tonight:

Pittsfield at Louisiana.  
Marquette at Greenfield.  
Bend at Jerseyville.  
Roodhouse at White Hall.  
Havana at Notre Dame (Quincy.)

## Yankees Enter Crucial Series At Red Sox Park

New York, Sept. 22.—(P)—The New York Yankees will go into their two-game series with the Red Sox at Boston Saturday without Joe DiMaggio, and that could be bad news for the Red Sox.

Not meaning that DiMaggio isn't a great ball player, and that his presence in the lineup would have the same beneficial effect as hailstones on a wheat field.

It's just that the club's history this year indicates the Yankees thrive on adversity. To the best of our knowledge Casey Stengel hasn't been able to assemble his best lineup for a game all season.

About the only man who hasn't missed a game is Stengel. As soon as one injured regular recovered, another got hurt. The timing was almost perfect, although once in awhile another player would get hurt before the injured man recovered.

Yet all the team has been able to do has been to stay in first place since the season opened. Consequently, knowing what it can do while crippled, Stengel probably would be much perturbed if he had the full strength available. He doesn't know how it would react.

In half of last season's ten football games, the Washington Huskies failed to score a point.

Pacific Coast Conference rules permit only five freshman football games for each school.

## Routt Wins Six-Man Football Inaugural Over Arenzville 25-14

Paul Stroud's Routt Rockets got off to a zooming start in six-man football competition when they rang up a 25-14 victory over Arenzville's center under the J. H. S. arena last night.

The game marked the first time that the local Catholic school has appeared in a football contest in four years. After last night's showing, all signs point to a successful return to the gridiron sport for the Routt club.

"Sonny" Lonergan, speedy halfback, Rocket halfback, wasted little time getting the Routt ball rolling. After the locals stalled the Arenzville offensive to start the tussle, Routt took charge of the ball on downs. Lonergan took a handoff from quarterback A. J. Spreen and ripped through right tackle to score on the first Routt play from scrimmage. His scoring burst started from his own 38 yard line.

After Spreen's attempted pass for the extra-point failed the two sets, Routt fought to a standstill the remainder of the first period.

Lonergan Scores Again  
After a between-quarter breather, Lonergan again brought the premier

Springfield, Ill., Sept. 22.—(P)—Moosheart journeys to Champaign and New Trier of Winnetka to LaGrange for a pair of standout games on the downstate prep football card this weekend.

The collision of Moosheart's potent Red Ramblers with Champaign's Maroons Friday looks like a honey. The Ramblers, fresh from a runaway win over Hillsboro last week, aim for a 16th straight victory. The string began in 1947.

The small but speedy Champaign crew relishes the underdog role that helped it knock off favored Benton a week ago and will be out to dish up the same treatment to the invaders from the north.

Two Titans of the Chicago Metropolitan area square off in Saturday's tussle at LaGrange, whose defending west suburban titelholders already own a triumph this season over strong Oak Park. New Trier's Terriers, their lineup loaded with burly veterans, are hailed as likely to capture the suburban league flag.

## Waverly Eleven Keeps Slate Clean With 24-12 Win

Waverly—The Waverly Scotties continued their winning streak at Kincaid's expense last night when they passed and ran to a 24-12 victory over the visiting Ponies.

It was the second win in as many starts for the Waverly eleven. Their first victory came over Roodhouse last week.

Fullback Delbert Mitchell flipped a 20-yard pass to halfback Meiers for the first Waverly score in the opening quarter. Kincaid stayed even when they also tallied a counter in the first chapter.

The Scotties forged ahead in the second canto when Meiers and Burnell crossed the goal. Kincaid came back in the third period to notch a single touchdown and Waverly quarterback McCrady slipped across with the final marker in the last quarter.

The Scotties outgained their opponents 247 yards to 117.

## Franklin Sextet Scores 25-12 Win At Chandlerville

Chandlerville—The Franklin Flashes treated their Chandlerville hosts rather roughly last night as they fought to a 25-12 victory over the Comets in a 2-C six-man football contest.

Chandlerville scored first when quarterback Marcy drove over from the 10 yard line. Franklin wasn't long evening up, the first-quarter count at 6-6 when Sweet tossed to McQueen for a six-pointer.

The second quarter was a replica of the opener. Chandlerville tallied first, sending halfback Reitzel through the line. Franklin fullback Sweet stubbornly stuck to his guns and fired another pass to score. Then he passed for extra-point to give the invading six-manners a 13-12 halftime edge.

Franklin coach Joe Treat switched strategy the second half. He powered McQueen through the Chandlerville line for single touchdowns in the third and fourth quarters while his defense was holding Comet ball-carriers scoreless.

Coaches report a marked improvement in their first-year ball players. Fumbles were reduced over last week and blocking and tackling was better.

**The Lineups:**

	Pos.	Chandlerville
Franklin	LE	Grimes
Smith	O	Hunt
Newingham	C	Blair
Wood	RE	March
Hembrough	QB	Taylor
McQueen	HB	Reitzel

## Giants Beat Reds 3-1 Then Lose 8-4

Cincinnati, Sept. 22.—(P)—The Cincinnati Reds and New York Giants split a doubleheader today before only 1,494 fans. The Reds taking the nightcap, 8-4, after the Giants had capped the opener, 3-1.

Home runs by rookies Lloyd Merriman and Sammy Meeks helped Red lefthander Hank Perkowski gain his first victory.

A four-run blast in the fifth inning of the afterpiece gave the New Yorkers an apparently safe 4-1 advantage. The Reds, however, retaliated with four in their half to take the lead, 5-4, and never again lost it.

Monte Kennedy was sharp in the opener, facing only 31 Redlegs while recording his No. 12.

With the score tied 1-1 in the eighth, the Giants tallied the two winning runs without a hit. Four walks and a fielder's choice dealt veteran Johnny Vander Meer his 10th loss.

## Miller's Gridders Set To Repel Strongest Decatur Invasion Ever

from Georgetown.

**Lasley Moved To Center**  
Others in starting berths on the forward wall will be rugged Jim Spink and Bob Brand at tackles. George Florence at the other guard, Ralph Christian at the other end, and Paul Lasley at center. Lasley has been shifted from the guard spot where he saw action all last year.

A pair of second year men in the persons of Bob Grove and Bill Gross will be at the quarterback and fullback positions respectively. Two newcomers have crashed the starting lineup and open at the half-back slots. They are five-foot-eight, 182 pound J. J. De La Paz, a shifty runner who came to the Hilltop campus from Chicago and five-foot-nine, 160 pound Westville sprinter Ray Watts.

If the Blueboys open the game on defense, Don Smith will probably be in the starting lineup replacing Bob Brand to back up the five man defensive line.

**Don Shroyer Leads Millikin**  
Millikin will counter with veterans Don Shroyer, left half; Otis Vaughan, right half; fullback Bill Sutton, and transfer student quarterback Jim Monahan in the backfield.

The Big Blue line will be made up of returning lettermen except at end and where Mary Johnson, a junior transfer student from Carthage, will start.

Biggest threat of Millikin Coach "Whitney" Keil's backfield is Don Shroyer, an all conference halfback for three seasons, who will be winding up a four-year grid career at JMU this fall. In 1947 Shroyer defeated the Blueboys practically singlehanded, and his contribution to last year's 35-0 massacre of the injured IC eleven was not exactly insignificant.

Another standout is Hal Weisenmeyer, a sophomore from Springfield, who will again be at end. The rangy wingman booted five extra points in as many tries against the Jacksonville crew last year. The Blueboys hope to keep him from getting so many tries Friday night.

Leading the Blueboys into the fracas Friday night will be Captain Don Longer, rangy, pass-grabbing third-year end from Danville. The only rookie on the starting line will guard Bill Long, a 190 pound recruit.

**Unknown Britons Topple Americans In Golf Tourney**

Tadworth, Eng., Sept. 22.—(P)—Three almost unknown Britishers toppled three of America's best today in the third and fourth rounds of the British Professional Golfers' Association championship.

The victims were Sammy Snead, of White Sulphur Springs, W. Va., United States P.G.A. champion; Clayton Heafner of Charlotte, N. C., and Skip Alexander of Lexington, N. C.

This onslaught cut the American survivors to two—Lloyd Mangrum and Johnnie Palmer—and eliminated the possibility of an all-American final on Saturday. Palmer and Mangrum are in the same bracket.

Snead fell before Norman Quigley, a Scotsman, who holed a 30-foot wedge shot from a deep sand trap on the 18th hole to gain a two-up edge.

Alexander lost 3 and 1 to Ted McNeill of northern Ireland. Heafner also was beaten 5 and 1 by Frank Hill of Wales.

**ILLINI TAPER OFF**

Champaign, Ill., Sept. 22.—(P)—Illinois' football squad tapered off with a light workout today in preparation for the invasion of Iowa State Saturday.

The Illini confined their activities to kickoff, punting and passing drills.

Coach Ray Eliot said Amos Jones, a converted fullback from Lake Forest, Ill., will open at offensive right end in place of the ailing veteran, Walt Kerulis.

## Local Businessmen Testify That Wabash Trains Are Essential

More than a dozen Jacksonville business executives and citizens from several other cities in west central Illinois testified before the Illinois Commerce Commission here Thursday that Wabash passenger trains 2 and 3, operating between Decatur and Hannibal, are essential to their business.

Numerous objectors to the railroad's petition to remove the trains said their shipping and mailing schedules would suffer if the trains were taken off.

## Former Versailles Resident Succumbs In New Jersey

Versailles—Mrs. Della Wilson has received word of the recent death of her half-sister, Mrs. Margaret Smith, at her home in Union City, N. J.

Mrs. Smith, 72, was born and raised in this community. She and her family moved to New Jersey a number of years ago. Her husband, Newton Smith, preceded her in death.

Surviving besides Mrs. Wilson are six children and several grandchildren and half-brothers. Funeral services were held in Union City.

Last rites for Mrs. Fannie Welsh of Beardstown, a former resident of this community, were held recently in the Christian church, with Rev. Carl Lee officiating.

Hymns were sung by Mrs. Jess Henry and Mrs. Harry Willey, accompanied by Mrs. Gordon Tarrant.

Interment was in Chambersburg cemetery.

## Jacksonville Man Speaks At DeMolay Institution Rites

Roodhouse — Donald Little of Jacksonville was guest speaker Sunday afternoon when the Roodhouse White Hall club was instituted as Eli chapter, Order of DeMolay, in the Roodhouse high school gymnasium.

Mr. Little, who is one of the advisers of the Jacksonville chapter and holder of the two highest awards given by DeMolay, the Legion of Honor and the Eagle, gave a biography of the late William E. Sullivan and a history of the Eli chapter, which from the local chapter derived its name. The Jacksonville man is a member of the executive board of the Eli Bridge company in this city.

At the close of Mr. Little's speech, a check for \$100 was presented to Master Councilor Maurice Hutton in behalf of Mrs. William E. Sullivan, her family and the Eli Bridge company.

George Withey, superintendent of division for youth and community service for the state of Illinois, also addressed the group. "Dad" Fred Hahn of Springfield, chairman of the state advisory board, was introduced.

State officers present were: M. C. Porch of Pekin, Fay Malone and Charles Ross of Alton and Duane Bell of Roodhouse. Advisers DeCourcy and Downey of Jerseyville made a few brief remarks. "Dads" of the Eli chapter are Clarence Ingle and Merle Mackey.

Members of the Alton Chevalier club, headed by J. E. Juttemeyer, adviser, formed the instituting party. Mr. Millner, who has played for Alton ceremonies for the past 15 years, opened the ceremony with several piano arrangements.

Mrs. Ross Manning, accompanied by Mrs. Arthur Broche, presented vocal selections. Russell Chapman played three piano solos.

## Mrs. Goodpasture Feted At Shower

Mrs. Robert Goodpasture was guest of honor at a shower given by Mrs. Charles Elliott of Washington and Mrs. Floyd Goodpasture at the Goodpasture home in Concord.

Yellow, green and white crepe paper and bells were used to decorate the home. During the afternoon, contests were conducted, with prizes being won by Caroline McGinnis, Maxine Strickler, Ruth Masten and Mary McFarland.

Mrs. Goodpasture was recipient of numerous gifts. Those present besides the guest of honor and the hostesses were Mrs. Grace McGinnis, Mrs. John McGinnis and daughter, Mrs. Ella Wiswell, Mrs. Wilburn Wiswell and daughter, Mrs. Ernest Strickler, Mrs. John Ginder, Mrs. Merrill Masten, Mrs. Wilson Henderson, Mrs. Arthur Yeck, Mrs. Phillip Yeck, Mrs. Carl Ruebush, Mrs. Mary McFarland, Mrs. Clara Mason, Mrs. Roscoe Goodpasture, Mrs. Paul Hess and son, Lois Henderson, Maxine Strickler, Dorothy Virgin and Joan Goodpasture.

## GOVERNOR GREET I. C. DISPLACED STUDENT

When Governor Adlai E. Stevenson (lower right) delivered the commencement address at Illinois College last June, he learned of the student body's interest in bringing Jerzy Bigosinski, a displaced person student from Europe, to the local campus in connection with the World Student Service Fund.

The Governor, noted for his work with the United Nations, requested that the \$75 honorarium offered by the college for his address, be applied to Jerzy's support.

Jerzy — or George, which is the English equivalent of the name — was presented with the check Wednesday afternoon at the governor's office in the capitol building at Springfield.

Looking on are (left to right) Robert Falkenberg of Westwood, N.J., and David Cohen of Israel, student co-chairman of the drive, and President H. Gary Hudson. The picture was taken by Bob Lewis, I.C. photographer.

The drive for funds to enable Jerzy to begin studies at the college was initiated last winter by the students, with the complete support of the faculty and administration.

The student committee voted to accept a male student with no preference as to nationality, race or religion, and was given the opportunity to select the student from a list of candidates. Jerzy was chosen.

The 20 year old youth served with the underground and was twice wounded in the European war. He was taken prisoner and was not liberated until 1945, during the Allied invasion.

Following the war, he completed preparatory school in Germany and studied for a short time at the University of Hamburg. He is a member of the Boy Scouts in Europe and speaks Polish, German and English.

After completion of college, Jerzy hopes to enter government service.

## Versailles School Plans Homecoming For Former Pupils

Versailles—The annual homecoming for former pupils of the old school house in Versailles will be held Sunday, Oct. 2, in the community building, according to announcement by Elmer McNeil of Jacksonville, president of the association.

A basket dinner at noon will be followed by a program. All members and their families are invited.

Mrs. Allen Thoroman will be hostess to the Loyal Friends class of the Christian Sunday school at her home, Friday. A potluck dinner will be served.

At the regular meeting recently of the Odd Fellows lodge, the third degree was conferred upon Paul Winner and Francis Seckman. Thirty members were present.

Alexander — The annual flower show of the Alexander Women's club was held recently at the home of Mrs. Adelaide Zeller.

Prizes on arrangements were awarded as follows: living room, Mrs. Frances Beerup, first; Mrs. Bess Kummle, second; dining room, Mrs. Mae Kinnett, first; Mrs. Edna Strawn, second; breakfast room, Mrs. Josephine Muckleston, first and second; sick room, Mrs. Mary Proffitt, first; Mrs. Sallie Stapleton, second; porch, Mrs. Mae Kinnett first and second.

Mrs. Sylvia Strawn discussed, "Tulip Time in Holland." Mrs. Twyla Smith showed moving pictures taken in Holland, Mich., during the tulip festival. Mrs. Josephine Muckleston, president, presided.

The hostess served refreshments.

## Marshall Named To Chairmanship Of U.S. Red Cross

Washington, Sept. 22.—President Truman announced today that Gen. George C. Marshall will emerge once more from private life to become chairman of the American Red Cross.

The retired five-star general and former secretary of state was designated by the President to succeed Basil O'Connor, chairman for the past five years, on Oct. 1.

O'Connor submitted his resignation to Mr. Truman in a letter dated Sept. 19. He explained that the task of directing the huge mercy organization has been so "totally consuming that I have had to neglect entirely both my family and my personal affairs."

Mr. Truman replied with a letter praising O'Connor for a job "well done" and for "a contribution of incalculable value."

The chairmanship is an honorary position, with no salary attached. O'Connor, a former law partner of the late President Franklin D. Roosevelt, was first appointed to head the Red Cross by Mr. Roosevelt on July 13, 1944.

## Typo Apprentice Spends Day With 350 Old Printers

Warren Ferguson, who is learning the printers' trade as an apprentice in the Journal Courier composing room, has returned from a visit to the Union Typographical Home at Colorado Springs, Colo., where he talked with men who spent the most of their lives around makeup tables or at the keyboard of linotypes, and now are in retirement.

Ferguson talked with "Zeke," a 92 year old retired printer from Texas, the oldest resident of the home, where 350 old printers are spending their declining years in pleasant, comfortable surroundings. He spent an entire day at the printers' home, finding the old printers friendly and always willing for a chat. Twenty women who have retired from the printing trade are residents of the home.

The Jacksonville apprentice had always wanted to see the printers' home, of which he had heard older men speak, and when he took a vacation last week he went to Colorado Springs. The home is surrounded by a 300 acre tract in the foothills of the Rockies, where the retired printers can stroll, or go fishing in a well-stocked stream.

Several other members of Typographical Union 356 of this city have visited the Colorado home in past years.

## All-College Mixer Planned By State Street Church

The Rev. Lewis N. Raymond, his family and officers of the Woman's Association of the State Street Presbyterian church will act as hosts on Sunday evening at 7:30 to an all-college mixer at the maize, 223 West State street. Students of Illinois and MacMurray colleges who attend the church have been invited to this gathering to get to know one another better.

This is the second year that the function has been held at the home of the minister, with the emphasis being on the "home away from home" theme rather than on a formal church gathering. Those who will assist in the receiving line are former students who have made State Street church their place of worship.

Each guest will receive a small label banner representing his particular school and will be introduced to the type of informal collegiate religious program which is carried out at the home of the Raymond's each Sunday night during the school year. All students are invited to participate in these Sunday evening gatherings for discussion of vital subjects.

Students will be welcomed at this first gathering from 7:30 until 9:30 p.m., and refreshments will be served during that period.

## SCARF SCOOP

NEW YORK (NEA)—Scarves and cuffs that  
reverse from a black velvet side to one of plaid  
woolen make two other bids besides reversibility  
for the approval of today's penny-wise woman.

Scarves stay put without a stitch, thanks to a  
tuck-in collar design. Cuffs turn out from elastic  
bands. Both collar and cuffs can be reversed and  
interchanged to look like a whole drawerful of  
accessories.

Typical switch is from the plaid woolen side  
(left) to the black velvet side, which makes collar  
and cuffs look like an entirely different set of  
accessories (upper right).

The switch (lower right), to half-plaid half-  
velvet that comes from the trick of folding collar  
and cuffs is another proof of the versatility of these  
accessories.

Town Ruins  
Found In Lagoon

Rome—(AP)—Scientists have dis-  
covered the ruins of a Roman town  
in a lagoon on the North Adriatic  
Sea. A group headed by Mario Fon-  
tani, an authority on Roman and  
early medieval archeology, may have  
found the ruins of a legendary town,  
reportedly sunk in the lagoon shall-  
ow waters, during the first cen-  
turies of our era.

When the Huns headed by King  
Attila swept across the Alps to the  
Italian plains, the population of the  
towns of Aquileia and Bibione fled  
for their lives. Attila destroyed

Aquileia and maybe also Bibione.  
The inhabitants of the two towns  
had fled. Part went to Grado in  
the lagoon north of Trieste and the  
remainder fled by boat. They were  
blown by heavy north-eastern Ad-  
riatic winds to the site on which  
Venice was founded.

Of the old town of Bibione only  
the legend remained. After weeks  
of searching the bottom of the  
canals of the lagoon in front of the  
little town of Marano, Fontani,  
wearing a light diving suit, discover-  
ed a wide stone bank with a monu-  
mental stairway descending into a  
greater depth. It may have been  
the basement of a Roman temple,  
Fontani said.

Iraq Pushes  
Machinery Plan

Baghdad, Iraq—(AP)—Iraq has  
worked out a scheme to speed up in-  
roduction of modern farm machin-  
ery into the country. Under the  
plan, to be carried out in approxi-  
mately five years, the government  
will have a complete monopoly on  
farm machinery.

The purpose of the plan is to in-  
troduce more efficient farming  
methods and increase crop yields by  
replacing primitive implements now  
in general use. For example, it is  
hoped to increase the wheat yield by  
25 per cent.

Under a new law, only the Iraq  
government will in the future be  
able to import farm machinery.  
Fifty per cent of this machinery will  
be sold to the big private land-  
owners according to the plan. The  
remainder will be rented out to  
smaller farmers. All repairs and  
spare parts will be under control of  
the government.

RUSSIA PRESERVES  
FOLK SONGS

Moscow—(AP)—The work of collect-  
ing the folk songs and sagas of the  
scores of nationalities making up  
the USSR goes on without interrup-  
tion. "Izvestia" recently told of the  
activities of one of the best-known  
folk-song collectors of Russia, the  
director of the Russian People's  
Chorus of Northern Songs, A. Y.  
Kolotilova.

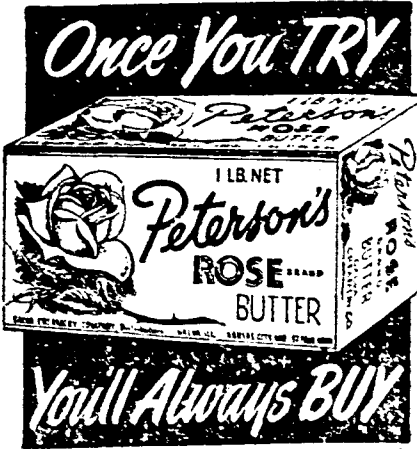

Kolotilova, in 40 years of work  
among the Russians in the Arch-  
angel and other northern districts,  
has discovered more than 700 folk  
songs, tales and epics which have  
been handed down from generation  
to generation by word of mouth  
alone.

## Insemination Booms For British Cattle

London—(P)—Artificial insemination of British cows increased steeply in the 1948-49 period, the Milk Marketing Board reported. A total of 256,064 cows, belonging to 33,249 farmers, were inseminated during the 12 months ended March 31. When the Board started its artificial insemination experiments in 1946, 6,401 cows belonging to 922 farmers were submitted to the process.

The Board said that average inseminations per bull rose from 975 in 1947 to 1,297 in 1948, and the largest number of cows inseminated from one bull was 3,956 last year. Figures show that the greatest number of inseminations were performed with British Friesian semen, 40.3

**'NEST' PLANTINGS  
AID RED FORESTS**

Moscow—(P)—Russians in putting into effect their large forestation program are relying heavily on the "nest method" of tree planting.

This method was proposed by Academician Trofim Lysenko, Russia's leading agronomist, who declares that it is based on the principles of Michurinist biology. The nest method of tree planting involves the planting in a small circle of a number of seedlings. It is claimed that within this circle of seedlings there is no competition; weeds and grass. Experiments have shown, papers declare here, that the survival of tree seedlings is much higher in "nest planting" than is the case with individual planting.

## Underground Water Saves Sheep

Adelaide—(P)—A geological freak may save 2,000,000 South Australian sheep from drought. Eyre Peninsula, at the eastern end of the Great Australian Bight, has had an exceptionally dry winter. Its reservoirs are at a record low level. The outlook was grim.

Then geologists made a discovery—a perfect underground reservoir holding 7,500 million gallons of pure water. That is more water than South Australia's biggest man-made reservoir holds.

Permanent springs led geologists to the hidden underground water store. They found a reservoir of 19 square miles lying from 50 to 100 feet beneath the surface.

**FIVE BOTTLES PRICE FOR SHOW**  
Prague—(P)—You can see a pretty good show here for five old bottles. It's part of the government's campaign to increase industry's raw materials stocks through salvage. ## New Nash Combines Beauty, Safety

Smooth aerodynamic design and road-hugging massiveness are features of the front-end treatment of the 1950 Nash Airflyte cars. In recent wind tunnel tests at the University of Wichita the new design was proved to have the lowest air resistance of any full size stock cars tested. The beauty and elegance of the new 1950 Nash cars are enhanced by larger bumper guards complementing the racing-type air scoop grille. Included as standard equipment is the curved one-piece windshield. The rear window is 10 inches wider than in '49 models.

## Indians Use Historic Bell

Phoenix, Arizona—(P)—A historic church bell that made its way into Arizona in 1860 by way of an over-

land freight now echoes in Supal-land at the bottom of Arizona's Grand Canyon.

The bell, which once served as the fire alarm at the little community of Chloride in Mohave county, hangs in St. Andrew's Episcopal chapel in the Indian settlement. It was taken down the trail into the canyon by pack train.

The chapel in which it hangs, a quonset hut, was lowered into the canyon last spring by helicopter. Stone quarried from the sides of the canyon were used for the sides and front of the chapel.

## INDIA TO IGNORE SPACE SHIPS

New Delhi, India—(P)—A suggestion that the Indian constitution provide the government with powers to regulate inter-planetary travel died like a damp rocket in the Constituent Assembly here.

Most members kept their feet on the ground as H. V. Kamath argued that interplanetary travel was a scientific possibility. He was supported only by Naziruddin Ahmed, who thought the government ought to have powers over travel between planets and their satellites as well. Law Minister B. R. Ambedkar, who drafted the constitution now under discussion ended the debate by remarking that if the proposal related to matters unknown, the assembly was wasting its time in discussing it. None of the members was prepared to explain how inter-planetary travel might be achieved.

## Ethiopia Gets Teachers From Many Lands

Addis Ababa—(P)—The Ethiopian schools' personnel resembles a miniature "United Nations." The 240

foreign teachers supplementing the local staff in Ethiopian schools include Englishmen, Frenchmen, Canadians, Americans, Egyptians, Hindus, Swedes and Norwegians.

The Russians it is believed, would like to make their contribution of teachers, but seem to be prevented from doing so by their weakness in languages—English is the official school language here and all the foreign teachers know English well.

Education is number one problem in this East African nation of 15,000,000 people. The number of public schools has increased from 380 last year to 430 this year, according to official figures. But the demand for education is so great that the Government is finding some difficulty in supplying schools and teachers in sufficient quantity. Enrollment figures, still incomplete, are reliably estimated at near

100,000. This compares with 50,000 in 1947-48. Ethiopia's literacy rate is unknown. At one time, not many years ago, illiteracy was estimated by a foreign educator at close to 100 per cent. This figure has been reduced during recent years.

### Recipe:

#### ORANGE BISCUITS

(Yield: 12 two-inch biscuits)

1/4 cup Mayrose Pure Lard 3/4-1 cup milk  
2 cups sifted flour 3 tablespoons sugar  
3 teaspoons double-acting 1 tablespoon  
baking powder orange juice  
1/2 teaspoon salt 2 tablespoons grated orange rind

Sift flour, baking powder and salt together. Cut in the lard until the mixture is the consistency of coarse corn meal. Make a well in the center of the mixture and add milk. Stir just until mixture sticks together. Turn onto a lightly floured board. Knead six times. Roll or pat to 1/2-inch thickness. Cut with biscuit cutter and place on a baking sheet. Place 3/4 teaspoon sugar, 1/4 teaspoon orange juice and 1/2 teaspoon orange rind on each biscuit. Bake in a hot oven (450° F.), for 15 minutes.

## Optimists Buy 50 Tickets For Skating Vanities

A block of 50 tickets for the Skating Vanities of 1950 at the state armory in Springfield on the night of Oct. 3, has been purchased by the Jacksonville Optimist club. The Vanities will appear several nights under the auspices of the Springfield Optimist club, the net proceeds to be used for welfare work.

Rev. C. Frank Janssen, newly elected president of the local club, presided at the luncheon meeting Wednesday noon at the Dunlap hotel. Members voted to hold evening meetings twice each year, beginning in October.

Secretary John Wright reported that teams of Optimists collected \$71 for the March of Dimes while manning the booths on the public square for half a day last Thursday.

## BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## JERSEYVILLE

Jerseyville—Mrs. C. M. Hanes returned Wednesday from Chillicothe, Ill., where she spent the past week at the home of her son-in-law and daughter, Mr. and Mrs. Robert E. Ward. Mr. Ward was stricken with polio a month ago and is still a patient at St. Francis Hospital in Peoria. His condition is somewhat improved.

Mrs. A. P. Mitzel returned Sunday from a two weeks visit in Detroit, Mich., with her sons and daughters-in-law, Mr. and Mrs. Harold Mitzel and Mr. and Mrs. Frank Mitzel and families, and in Chicago with her daughter Miss Pauline Mitzel and her son-in-law and daughter Mr. and Mrs. Leo Fleckenstein and family.

Miss Harriett Gauwitz of Chillicothe, Ill., was a guest over the week end of Mr. and Mrs. Paul Erb. Mr. and Mrs. Dwight Crull, Jasper Crull and Bert Dabbs of the Quarry Township locality will leave Saturday by motor for a vacation trip in Florida. They will visit relatives for two weeks before returning to Jersey County.

Mr. and Mrs. Clyde Legate of Chicago have returned home following a visit at the home of Mr. and Mrs. Edward Highfill in the Grafton vicinity.

## Carrollton Couple Celebrates 40th Wedding Date

Carrollton — Mr. and Mrs. Alvin Rhodes entertained at a family reunion Friday, Sept. 16, honoring Mrs. Rhodes' parents, Mr. and Mrs. W. E. Frech, who were celebrating their 40th wedding anniversary. Frech and the former May Henkel were married Sept. 16, 1909, by the late Eldred T. J. Rody at the home of the bride's parents, the late Mr. and Mrs. Jake Henkel. Mr. and Mrs. Frech have made their home here for many years, Frech having been a member of the City Council from the third ward for several terms. Mr. and Mrs. Frech are the parents of six children all of whom are living.

Present at the reunion Friday in addition to Mr. and Mrs. Frech were Mr. and Mrs. Paul Frech, Mr. and Mrs. Jake Frech and family, Mrs. Catherine Richards and daughter of this city and Mrs. Bessie Frech of Kane, Mr. and Mrs. Charles Darr, and Mrs. Minnie Hayes.

A daughter, Mrs. Donald Rastoff of Jerseyville, and a son Gerald Frech of this city were unable to be present.

## ROODHOUSE

Roodhouse — William Israel has received word that his father, H. M. Israel, of Granite City, was hospitalized in St. Elizabeth hospital of that city on his return home from a visit here with his son and family. The elder Mr. Israel has been in failing health for some time.

Mr. and Mrs. Hershel Baker and family of Bloomington spent the week end with his brother, Pat, and family.

Mr. and Mrs. W. W. Wilkinson visited Sunday with relatives in St. Louis.

Frank Hopkins and Miss Betty Winters attended the annual gift show in St. Louis, Monday.

Mrs. Anna Collins is visiting in the home of Mr. and Mrs. Verba McElroy of Granite City.
